April 8, 2019

The Honorable Ajit Pai
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Pai:

I am writing to request information and a briefing on the Federal Communications Commission (FCC) proposals to cap spending on the Universal Service programs: Connect America Fund, Lifeline, E-Rate for Schools and Libraries, and Rural Health Care. I want to ensure that FCC remains in a position to fulfill its congressionally-mandated mission: to ensure that consumers everywhere in the Nation, including low-income consumers and those in rural areas, have access to essential telecommunications services. In addition, I want to ensure that schools and classrooms, health care providers, and libraries will have access to the advanced telecommunications services that they need to succeed.

I request that you provide by April 10, 2019, all proposals being considered by the agency that would cap spending on the Universal Service programs.

I also request a briefing on or before April 12, 2019, to address the following topics:

1. All proposals being considered by the agency that would cap spending on the Universal Service programs, and justifications for their necessity;
2. Any caps currently in place on each of the four component programs;
3. Actual annual spending on each of the four component programs over the last eight years;
4. Projected future spending on each of the four component programs; and
5. Participation rates in the Lifeline program.

The Committee on Oversight and Reform is the principal oversight committee of the House of Representatives and has broad authority to investigate "any matter" at "any time" under House Rule X.

The Honorable Ajit Pai

9. When you produce documents, you should identify the paragraph(s) or request(s) in the Committee's letter to which the documents respond.

13. Pursuant to 5 U.S.C. § 552a(b)(9), the Privacy Act shall not be a basis for withholding information.
14. If compliance with the request cannot be made in full by the specified return date, compliance shall be made to the extent possible by that date. An explanation of why full compliance is not possible shall be provided along with any partial production.

17. If a date or other descriptive detail set forth in this request referring to a document is inaccurate, but the actual date or other descriptive detail is known to you or is otherwise apparent from the context of the request, produce all documents that would be responsive as if the date or other descriptive detail were correct.

18. This request is continuing in nature and applies to any newly-discovered information. Any record, document, compilation of data, or information not produced because it has not been located or discovered by the return date shall be produced immediately upon subsequent location or discovery.

Upon completion of the production, submit a written certification, signed by you or your counsel, stating that: (1) a diligent search has been completed of all documents in your possession, custody, or control that reasonably could contain responsive documents; and (2) all documents located during the search that are responsive have been produced to the Committee.
